

Hikvision Moves Up to Second Place on the A&S 2015 Security 50 Podium

November 19, 2015 Hikvision has jumped to the No.2 position in the global security market with the announcement of A&S Magazine's 2015 Security 50 Rankings. With a massive 57.5% leap in revenues, Hikvision's elevation to the No.2 spot follows a rise to third place in 2014 from fourth place in 2013.

"We are very pleased and proud to be recognized again by Security 50 as one of the leading companies in the security industry," says Cynthia Ho, Vice President at Hikvision. "This outstanding performance caps another year of massive growth for Hikvision and demonstrates our continuing dedication to innovation and excellence in responding rapidly to emerging market trends.

"With the sustained expansion of our global network, Hikvision knows very clearly about the importance of localized support and service that we need to deliver to our partners and users. Therefore, we will make every endeavor to further demonstrate our long-term commitment toward each regional market," Ho continued.

About Security 50

Security 50 is comprised of world leaders in the security industry ranked solely by product sales, with participants ranging from exclusive manufacturers to end-to-end solution providers. More information can be found at <http://www.asmag.com/rankings/>
